McBride's hustling boys outplayed the visitors at every stage and looked like the smart ball team that

Schacht is a successful comedian except when he goes to the mound. Right there the funny stuff ends. The party with the red undershirt goes about his duties in serious fashion and demonstrated yesterday that he should be a big help to McBride in keeping the team in the race. He is the first of the slabbers to travel the limit and wound up as strong as when he started. At held the enemy to seven hits, allow ing as many as two in only a couple of rounds.

## Sale men's hot weather

# SUITS

Regulation \$20 to \$30 grades

The big sale of the Silver Jubilee. One of the biggest and best things we've done for men in twenty-five years of selling clothing.

1,500 suits; not merely hot weather suits that are cool, but "cool" suits that are tailored.

Gossamer fabrics, stripped to zero in weight; hanging to-gether as it were by a thread, but hand-tailored to hold their shape and fused thru with style.

Silks Palm Beach Cloth Cool Cloths **Tropical Worsteds** Priestly English Cravenetted Mohairs

Solid colors; light, dark and neutral shades; stripes, checks, fancies: two-tone and heather mixtures "en everything. Sizes and styles for every man. Plenty of extra large and stout sizes.

#### Rules of the sale:

Not more than two suits to a customer. No phone, C. O. D. or mail orders. No alterations.

Ready today at 8:30 a. m.

## Genuine PANAMA Hats

Attested by the U.S. Bureau of Standards....

Our advertising must be truthful; and while these Panamas looked like the real stuff, we couldn't figure out they could be at \$3.45.

So we had a sample tested by the U. S. Bureau of Standards, who pronounce them GENUINE PANAMAS

perfect; newest summer shapes; sizes and styles for every head. And at \$3.45 it's like finding money in last year's vest.
